.....

Spring has Sprung!!!

.....

Welcome Everybody to my second newsletter of 2021.

I'd like to begin this edition by saying a BIG THANK YOU to all that have purchased products, taken part in the raffle & sent messages asking how I am.

You have kept me going & kept my spirits up during this third lockdown & I'm eternally grateful.

.....

*Stay home
stay safe*

Gosh it's hard to believe that it's been almost a year since the start of the first Covid19 lockdown & yet here we are still in lockdown three.

I think the beautiful weather we had last weekend reflected the optimism & positivity we were all feeling following the PM's announcement on 22nd February advising of his lockdown exit strategy.

I think we're all motivated & ready to do our bit to keep these exit plans on track thus paving the way for the most Fantastic summer.

The grand reopening for Beauty at Obelisk

So the plan is, all being well, doors can reopen on 12th April & all beauty, holistic & clinical treatments are able to resume.

So far there are no new protocols that I need to put in place to reopen, however mask wearing, hand sanitising, temperature checking, ventilation, & the Covid19 checklist must remain in place.

I will continue to contact you the day before your treatment to carry out the Covid19 safety checks. If you do not hear from me by 8pm the day before your treatment then something has gone wrong with my diary system. In this

instance please telephone me so that I can put this right. It is paramount that you **do not turn up for your appointment if you haven't had the Covid19 safety check phone call** as it increases the risk of you coming into contact with other customers unnecessarily.

If you have a lash lift, eyebrow or eyelash tint booked I must see you 48 hours prior to your treatment to carry out a patch test. Studies have shown that exposure to the Covid19 virus can increase sensitivities making you more susceptible to a possible reaction. This is a legal requirement stipulated by my insurance company.

So what's new in the world of Beauty at Obelisk

You know me, I never sit still for too long!!! I have been a busy little bee completing more training to provide some fabulous new treatments to you.

*****You now have 18 Eve Taylor London Facials Treatments to choose from*****

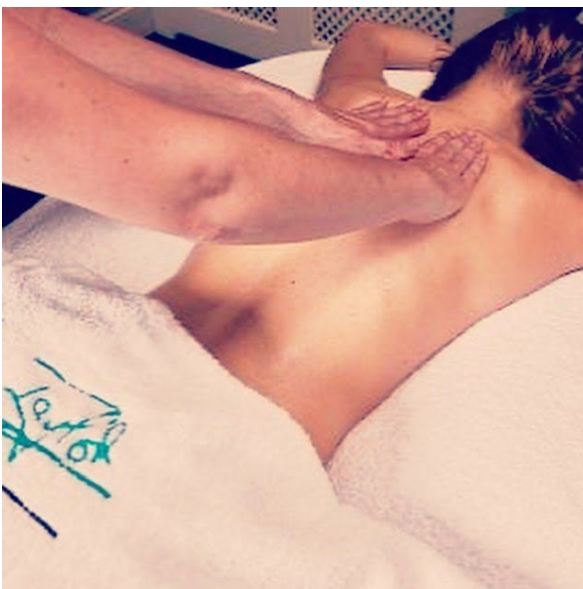

This may seem excessive, but these treatments have been specifically designed to treat multiple skin conditions & concerns while taking into consideration your skin type.

If you're short of time but still wish to have professional facial treatments, then I have the perfect solution for you. The Target + facials are 30 minute treatments that are purely results focused. By using key formulations along with the supreme technology of the Eve Taylor Ultrasonic Micro-Therapy Device, the effects & results of your facial treatment are dramatically & noticeably improved.

All treatments are on the website for you to view, & if you're unsure of which facial to have, then I'm here to help advise & guide you?!?!

And here's what has changed in the world of Beauty at Obelisk

*****Pricing of Treatments*****

Each year I review my prices but, due to the challenges that the Covid19 pandemic, has meant prices have gone up ever so slightly more than they would normally.

My prices didn't change after reopening after each lockdown, even with the additional cost of PPE and added insurances I am required to hold.

These new prices will come into effect on 12th April 2021.

***** Tip & Overlay Nail Enhancements*****

This treatment is no longer available, but I am still offering Gelish Nail Polish treatments. If however, you would like acrylic nail enhancements or nail art, I can recommend a fabulous nail technician that can provide this service.

*****Opening hours*****

Starting from 1st June 2021 I will be introducing my new working hours
These will be

Monday 9.30am - 3pm
Tuesday Closed
Wednesday 9.30am - 3pm
Thursday 9.30am - 8pm

The salon will be closed on bank holidays.

I am also looking at making my hours of work more seasonal based

Mothers Day

Mothers Day seems to have crept up on us this year & is now only 10 days away!!!

If you have no idea what to get for your Mum this year, then let me help you select the perfect gift for her.

All gifts will be beautifully gift wrapped, so all you need to do is sit back & relax.

If your kids, husband or partner need a bit of inspiration on what to get you, just pop my details under their noses. I can definitely work my magic & provide them with some great gift ideas from the Eve Taylor London range or maybe a gift voucher which is redeemable against treatments & products.

Until we can meet again, please stay safe and sane my darlings
